Product name	Koyamaki Wood Essential Oil
--------------	-----------------------------

Item	Standard Value
Raw materials	Koyamaki Wood
INCI name	Sciadopitys Verticillata Wood Oil
Ingredient No.	566503
Extraction method	High Temperature High Pressure Steam Distillation

Appearance	Light yellow liquid
Odor	Characteristic scent
Density (20°C)	0.98 ± 0.05
Refractive index	1.51

Quality guarantee period (after distillation)	5 years (When stored at low temperature)
Quality guarantee period (after opening)	1 year
Storage conditions	Store sealed in a cool and dark place

Component composition	Kouyamaki wood essential oil 100%
Solvent	No additives
GMO Information	Not applicable
Country of origin of raw materials	Japan
Solubility	Freely soluble in ethanol
Substances notified by the Industrial Safety and Health Act	Not applicable
Chemical substances subject to the PRTR system	Not applicable
